RESPONSE

This is in Response to the Examiner's Office Action, Mailing Date 5/12/2004 in which he objected to the instant patent application on the following grounds:

1. Replacement drawings in compliance with 37 CFR 1.84 and 37 CFR 1.121 are required. The drawings submitted are not acceptable because:

The drawings have a line quality that is too light to be reproduced (weight of all lines and letters must be heavy enough to permit adequate reproduction) or text that is illegible (reference characters, sheet numbers, and view numbers must be plain and legible.

We are herewith responding to your office action and submitting drawings with darker lines as requested.

Applicant wishes to respond to that Office Action and respectfully requests a one month extension. Please charge the \$55 extension fee to our deposit account no. 09-0640.

Respectfully Submitted,

JoAnne M. Denison
